ECT1000G
ELLIPTICAL CROSSTRAINER

BODYCRAFT

ENGAGE YOUR TOTAL BODY

Over a Decade of Research and Development Has Lead to the Ultimate Design in Standing Ellipticals. The Engineering Team Spent Vast Amounts of Time Perfecting the Most Efficient and Durable Design, While Mimicking Natural Human Gait and Arm Swing. From the Moment You Step onto the Cushioned Comfort Cloud Foot Pads You Will Appreciate the Precise Engineering and Ergonomics that Ensure a Comfortable Workout. Finally, a Machine that Moves the Way Your Body Moves.

STEP ONTO A CLOUD

Our Cushioned Comfort Cloud Pedals Provide Your Feet with a Stable Yet Incredibly Comfortable Workout Experience While Eliminating Uncomfortable Pressure Points

GLIDE WITH STYLE

Our Engineers Integrated Precision Formed Stainless Steel onto the Glide Rails To Ensure the Smoothest Elliptical Motion Possible. Stainless Steel Rails will ensure your last workout feels like your first, stainless steel will not rust, so you won't have any issues down the road with any bumps causing an uneven track

Extendable Tablet/Phone Holder

CHANNEL YOUR INNER PIRATE

Or Maybe Your Inner Princess, Cowboy, Or Angel? Choose From 4 Fun Characters to Create Your Own Personal User Profile

BluView HI-DEF FULL COLOR TOUCH SCREEN DISPLAY

Interact, Customize, and Entertain Yourself with Our Hi-Def Touch Screen Display Featuring an Extendable Tablet/Phone Holder, Reading Rack, and Intuitive Graphical User Interface Design Making Your Workout a Simple, Fun, and Educational Experience

NO WIRES, NO PLUG, NO WORRIES

Self Powered and Driven by Our Commercial DynaGen Magnetic GREEN Brake System, the ECT1000G Can be Placed Anywhere In a Room Without the Need to be Plugged in. Never Worry About Wires on the Floor or Pesky Power Surges Causing Havoc On the Electronics
