Since it is built to last a lifetime, every part of the BodyCraft Galena is guaranteed for as long as you own it. We will replace or repair any defect. Warranty applies only to the original owner and for in-home use.

The BodyCraft Galena is built to fit into any corner of a room, requiring much less space than traditional designs. Featuring a Chest Press, Dual-Function Pec Dec, Leg Extension, Leg Curl, Lat Pull, Low Pulley Station, Abdominal Crunch, and Leg Press (optional), every major muscle group can be strengthened in a minimum amount of time. No other gym is more complete and offers more quality and value than the BodyCraft Galena!
Built to last a lifetime! The BodyCraft Galena Strength Training System is made using heavy 2” X 3” and 2” X 2” steel tubing, 7 X 19 strand 2000lb. tensile strength aircraft cable, and fiberglass reinforced nylon pulleys with sealed bearings.

DUAL-FUNCTION PEC DEC
The only Pec Dec made that provides traditional flys and dumbbell style flys. Traditional flys are performed by pressing elbows against the pads. Dumbbell style flys are performed by simply grabbing the handles and swinging outward to chest height and then pressing forward and together. Range-of-motion adjustments fit every size user and also provide for rear deltoid flys. The most versatile Pec Dec made! U.S. Patent No. 6217492

LEG PRESS (optional)
Unique design for overall leg development and maximum comfort. Provides up to 300 lbs. of resistance. Foot plate adjusts to fit any size user. Great for calf exercises, too!

ADJUSTABLE, COMFORTABLE
Seat and seat back are fully adjustable. The high density foam is contoured for lumbar support and covered by heavy gauge vinyl.

LOW PULLEY STATION
Easy to access and plenty of room for exercises such as leg kicks, arm curls, low rows, deltoid raises, and more.

WEIGHT STACK GUARDS (optional)
Provides safety and beauty! Attractive, noise dampening perforated steel shrouds with a black powder coat finish, which cover the precision-milled 200 pound weight stack.

Bench Press Station with adjustable starting point. This allows for different size users and also provides a variety of exercises including Bench Press, Incline Press, Shoulder Press and Mid Row. Seat and seat back are adjustable.
