AIR + MAGNETIC RESISTANCE ROWER

BODYCRAFT

COMFORT & CONVENIENCE

The VR500 Pro Air and Magnetic Resistance Rower represent over a decade of research and development. This rower incorporates all the latest technology and long-standing consumer requests resulting in a smooth, high-performance rowing workout. Choose your own experience by adding our CONNECT22 Tablet to use apps like Netflix, and Youtube where you will find virtual rowing and coaching videos.

GIVE YOURSELF A HAND

Our ergonomically correct comfort grip handle comes standard with a wireless 4 button control. All functions of the VR500 can be controlled at your fingertips. This includes changing the resistance on the fly allowing you to self regulate your intensity.

REALISTIC ROWING EXPERIENCE

While other rowers rely on air resistance only, the VR500 PRO uses AIR + MAGNETIC RESISTANCE providing the most realistic rowing experience available. Providing up to 32 levels of resistance, the VR500 PRO will challenge even the most seasoned athlete. We also loaded the VR500 PRO with programs that automatically changes the resistance for you during your workout.
